

Sacred Heart Ministries Newsletter!

Written and edited by the parish office staff and the Worship Commission.

As many of you have noticed, we are in need of more parishioners to serve in the various ministries. If you know anyone who might be interested in serving at Mass as a lector, extraordinary minister of communion, server, acolyte or usher please encourage them to contact us at the parish office. We will be hosting some training for new ministers and a refresher session for all current ministers. As they say, many hands make light work. We are excited to welcome some new volunteers and appreciate each of you who have been serving so diligently.

There have been some changes in the distribution of the Holy Cup. Updated training will be provided soon. If you are distributing the Holy Cup before the training session, please do not consume the remaining wine; return the cup to the altar, and place the purificator on the credence table. The priest might return the cup to you and ask you to consume the remaining wine. The rest of the procedure remains the same.

Father Roga also asks that you please continue to use the sink in the brides' room for washing the vessels. If you have any immediate concerns please call the parish office at 541 884-4566.

Watch the bulletin announcements for the date and time of the trainings!

Currently we are training some new servers. If you see "training 'C' server" on your schedule please welcome the new server and help them with their duties. If all goes well we should have several new servers by this fall.

August 15, 2009-- Father Roga has added an 8:30 AM Mass for the feast of the Solemnity of the Assumption of the Blessed Virgin Mary. Since the feast falls on a Saturday the "obligation for the faithful to attend this Mass is dispensed". This Mass has been added for the celebration of this popular feast day.

The parish picnic is Sunday August 23, 2009 at Moore Park and the ministers for this special event are listed. The computer scheduling program randomly selected ministers to serving at this special Mass. If you are unable to serve at this Mass, please call the office.
