

**Volunteers Needed...** We have recently sent out a letter to parishioners whom we haven't noticed their presence for awhile. One of the questions we asked was if there was anything we could do to help them get to here. We have had a few people reply to us that they no longer drive and would love to come to Mass but need a ride. Does this sound like a ministry you can help with? We would need volunteers from each of the different Masses to help. If you are able to pick up a neighbor for Mass, please call Mary in the office.

We have made a donation from the Children's Weekly Collection to assist with this worthy local organization.

**Parish Picnic...** Just a reminder that our annual Parish Picnic is next weekend, August 24<sup>th</sup> at Moore Park. We will begin the day with a bi-lingual Mass at the park beginning at 11:30AM. Please remember the 10:30AM and 12:30PM Masses on that day are cancelled here at the Church. The Knights of Columbus will be grilling the hamburgers and hot dogs and the Hispanic Community will be preparing Carne Asada. We ask that each family bring their "specialty dish" to share with others. Please remember if your dish needs to be kept cold, you will need to bring your own ice chest to leave in your vehicle during the Mass. Once Mass is finished, we will be getting ready for lunch. We have a fun day planned as always. We will be having a watermelon eating contest, potato sack races, water balloon fights, piñatas, just to name a few. We hope you all can share in this fun day with us. Please remember to bring a lawn chair for a place to sit. If you have any questions or need any further information about the picnic, please call Jon or Micky at 882-0548.

**Consider Hope:** (30) "while we must always be committed to the improvement of the world, tomorrow's better world cannot be the proper and sufficient content of our hope. When is the world "better"? What makes it good? By what standard are we to judge its goodness? What are the paths that lead to this "goodness"? (31). Let us say once again: we need the greater and lesser hopes that keep us going day by day. But these are not enough without the great hope, which must surpass everything else. This great hope can only be God, who encompasses the whole of reality and who can bestow upon us what we, by ourselves, cannot attain. The fact that it comes to us as a gift is actually part of hope. God is the foundation of hope: not any god, but the God who has a human face and who has loved us to the end, each one of us and humanity in its entirety." May God bless you with hope in a personal God.
